THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (DR. MURLI MANOHAR JOSHI): (a) Yes, Sir.

(b) 870 hostels have so far been sanctioned in different States/UTs all over India. A Statement is annexed (*See below*) As per

information available with the Department 613 hostels have been completed.

(c) 61564 working women earning an income not exceeding Rs. 16,000/- consolidated per month in 'A' class cities and Rs. 15,000/- in other cities/towns/places have been benefited from this scheme.

(d) 257 hostels are still incomplete which include cases where the assistance upto 90% has been released but the balance amount has not been released because the completion documents have not been submitted by the organization.

(e) Normally the NGOs complete the hostel building within the stipulated time period of 24 months from the date of receipt of the first instalment of grants-in-aid. However, some of the reasons for the slow progress of the hostel construction as furnished by NGOs/ organizations are (i) slow progress in completion of actual construction (ii) non-availability of construction material on time due to labour problems or natural factors (iii) frequent rise in cost index which have an unfavourable impact on approved estimates, etc.
